Aviation Business (Extra-occupational) Bachelor - mandatory courses

Health Management

Module name (EN): Health Management
Degree programme: Aviation Business (Extra-occupational), Bachelor, ASPO 01.04.2012
Module code: ABBW12
Hours per semester week / Teaching method: 1V (1 hour per week)
ECTS credits: 2
Semester: 3
Mandatory course: yes
Language of instruction: German
Assessment: Written exam [updated 01.07.2021]
Workload: 15 class hours (= 11.25 clock hours) over a 15-week period. The total student study time is 60 hours (equivalent to 2 ECTS credits). There are therefore 48.75 hours available for class preparation and follow-up work and exam preparation.
Recommended prerequisites (modules): None.
Recommended as prerequisite for:
Module coordinator: Studienleitung
Lecturer: Prof. Dr. Susan Pulham [updated 21.05.2021]
Learning outcomes: After successfully completing this module, students will be familiar with the German healthcare system and will be able to delineate the tasks of the individual players. They will be able to analyze the functionality of the system critically. They will be familiar with cognitive biases in human decision-making based on heuristics and motivational needs. [updated 01.07.2021]

Module content:

- Cognitive biases in human decision-making behavior
- Basic social security principles in the event of illness
- Basic healthcare system structures and basic data
- Health insurance

[updated 01.07.2021]

Teaching methods/Media:

Presentation, e-learning, textbook

[updated 01.07.2021]

Recommended or required reading:

Simon, Michael: Das Gesundheitssystem in Deutschland, 5. Auflage, Verlag Hans Huber, 2017

Pulham, Susan und Deeken, Michael: Zur Rationalität von Anlageentscheidungen, Springer Essentials, 2015
